

MARTA

PALOMBO

If Joni Mitchell and Florence + The Machine had a 21st century hippie daughter, it would be Marta Palombo. Hailing from Florence, Italy, she found her home in Nashville, Tennessee where she spends her time writing, recording, performing, and curating a cabinet full of local teas. Marta effortlessly weaves diverse influences and genres into her own unique blend of cinematic indie pop.

THE TEA

- Sang with Josh Groban at the Bridgestone Arena.
- Her EP, *Him Vol. 1*, surpassed 60k streams on Spotify.
- Winner of the 18th Vox Pop Independent Music Awards
